DETAILED ACTION

Response to Amendment

1. The reply filed on June 27, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

The applicant canceled all previously elected claims and added new claims to the present application. The new claims include the limitation that the coating on the stainless steel sheet is removable from the stainless steel sheet. This limitation causes the current claims to be patentably distinct from the originally filed claims and had they been included with the originally filed claims, a restriction requirement would have been made between the current claims and the originally filed claims. The applicant may overcome this problem by removing the limitation that the coating is removed from the steel substrate. See 37 CFR 1.111.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
